

Ah, good, Penny, you're here to exchange gifts. You'll be pleased to know I'm prepared for whatever you have to offer.

Okay. Here.

I should note I'm having some digestive distress. So, if I excuse myself abruptly, don't be alarmed. Oh, a napkin.

Turn it over.

To Sheldon, live long and prosper. Leonard Nimoy.

Yeah, he came into the restaurant. Sorry the napkin's dirty, he wiped his mouth with it.

I possess the DNA of Leonard Nimoy?!

Well, yeah, yeah, I guess. But look, he signed it.

Did you realize what this means? All I need is a healthy ovum and I can grow my own Leonard Nimoy!

Okay, all I'm giving you is the napkin, Sheldon.

Be right back.

Sheldon! What did you do?

I know! It's not enough, is it? Here.

Leonard, look! Sheldon's hugging me.
