Kimmy, we have to watch the news for our homework.

The news will be old tomorrow, but the top 10 video countdown is good for a week.

But Kimmy, our grades will stay on our record forever.

New plan. Why don't we bring this TV upstairs? Then we can watch two TVs at once.

Kimmy that is.. not a bad idea.

Okay. Lift on three. One. Two. Three.

What are you doing?

We're taking this TV upstairs so we can watch the music videos and the news at the same time.

Pretty smart idea I had huh?.

If you're so smart, why don't you just bring the little TV downstairs?

Yeah Kimmy why didn't you bring the little TV downstairs? Because we needed the exercise, but now the rapun I'll go get the little TV.

What? Why? How? Who?

Wow baby.

Mr. Turnner. I'm really really sorry, it was all my idea.

It was your idea to throw my television over the banister.

No, no, no, we have a really good explanation, see we wanted to watch the music videos and our homework at the same time and... You know it sounded better before I said it. I am really, really, really sorry. I talked DJ into it.

I appreciate your honesty Kimmy but just because you thought of a dumb idea doesn't mean DJ had to go along with it. You know it seems every time the two of you get together there's some kind of trouble.

Good point pap.

Kimmy I think it's time for you to go home.

Okay but I want you to know that I am really, really, really, really, really, really sorry.

DJ for the next three weeks you are not allowed to see or talk to Kimmy Gibbler.

But Dad she's my best friend.

You know I don't even know why you hang out with her. You and Kimmy have nothing in common except maybe your schoolwork and that's only because she copies it. Now going up to your room.

Well I guess we told her.
