

Actually, this works.

This is my room, I think.

Dad's been busy.

Uhm.. Gia this is my little sister Michelle.

Hi Michelle, do you mind if your sister and I talk?

Are you gonna be talking like this?

Tell you what. If you leave us alone, I'll give you a tic-tac.

Wow! A whole tic-tac just for me!

Who's your friend?

Listen Tanner. What you did today was really low. You know I like Jamie but you went for him anyway.

I didn't know you liked him.

Now you know. So you better call your little date off.

No way!

Tommy can't make it. You're not feeling well.

I feel fine.

You won't if you don't call off your date.

I'm not gonna do that.

Fine! to your funeral...

Hey Stephanie, get over here.

What are they laughing at?

You!

Earn big bucks? What does that mean?

Gia told everybody that you paid Jamie twenty bucks to go out with you. It's all over school.

Hey Steph, I'll go out with you, I need a new bike.

Hang in there.

Steph, we gotta talk.

'bout this?

Yeah! Everybody's been ragging on me. And who started this?

It's Gia. She said if we didn't call off our date, she'd make my life miserable.

Hey Jim! I was wondering.. oh sorry didn't mean to disturb you at work.

Guys check it out. Somebody blew up Gia's report card and stuck it on the wall.

Oh that's terrible, who would do such an awful thing?
