

What is that? A cup of tea?

Just a moment of quiet reflection.

Well, the hell with that, this is a moment for celebration.

That's right, because a man's life wasn't the only thing safe today. Don't tell me? You managed to lock down Jim Reynolds after all?

We did, the firm is safe Jessica.

Thank you, but it's not my firm anymore, it's yours.

What do you mean, ours? I mean, I've decided to step down.

What?

Jessica!

Listen, somewhere along the way I forgot, why I became a lawyer in the first place and it wasn't just a fight for money and power, it was to fight for something more.

Bullshit! You're not fighting for something more, you're running away.

Louis!

No, we bust our ass to save this goddamn place, she decides to up and leave, we committed to this!

Louis, she isn't doing this to you, she's doing it for herself.

I don't give a why she's doing it, it's selfish and self-serving and it's not gonna happen!

Do you think I want a goddamn do this Louis? I have to do this.

You can't just throw this all away after we gave everything to save it!

That's enough! Louis, after the partners left, we swore we were gonna dedicate every ounce of blood, sweat, and tears we had to this place, but we didn't. Harvey and I focused on getting Mike out. Jessica and Rachel focused on Leonard Bailey; And you, focused on finding love in your life.

That's not true.

Yes, it is.

I'm not ready to give up the firm.

No one's saying you have to give up the firm, Louis. You just have to let me go.

Are you sure about this?

Tell you the truth, for the first time in my life, I'm not sure about anything and it scares the shit out of me; But I'm sure I have to do this.
