

It's not your fault, Harvey. I made my case, I convinced you to hire me.

I was the one who made the call.

You were. It doesn't matter. It's even knowing how it all turned out. I'd do it again.

Yes, I would too. Because I never thought in a million years I'd meet someone dumb enough to be willing to go to prison for me.

Don't always said you were looking for another you, I guess you found one. I guess it's time to get busy living or get busy dying.

Last goddamn right.

Watch your back in there, Mike.

I will.
