

Don't fall on your sword again.

I have to.

No, you don't!

We might not win.

You don't always have to be the hero.

I'm not doing it to be the hero!

Then, why the hell are you doing it?

Because, it's my goddamn fault!

No, Harvey it's not. It's Mike's fault, just as much as it is yours.

Then why should I be the one to throw him under the bus?

Don't you get it? I am not asking you to throw him under the bus. I am asking you to believe that the two of you are worthy of being found innocent.

What if I can't do that?

Then, you can march yourself down Gibbs's office in the morning and turn yourself in. But, I don't want you to do that.

Why not?

Because, I think you're worthy.
